

GS27

GS27® owes its success and its place as the French No. 1 for car care products first and foremost to its keen sense of innovation and constant attentiveness to market expectations. All its products are recognized for their extremely high quality and cutting-edge technology.

One of the great strengths of GS27® is its ability to independently develop technically sophisticated, innovative products for cars and motorbikes. With its integrated laboratory and Research and Development Center, it has everything it needs to stay permanently ahead of the field in an ultra-competitive market. The strategy is clear, distinct and ultra-precise. One of most popular products of GS27® is a scratch remover.

TITANIUM® SCRATCH REMOVER

Titanium® Scratch Remover

GS27 Classics® Titanium® Scratch Remover is a cream containing microbeads and microscopic lamellar crystals, ideal for all surface scratches (scrapes, scratches, etc.). Its Titanium®-enriched formula improves the efficiency, strengthens the protection of the areas treated and guarantees a shiny finish.

Strengths

- Erases surface scratches
- Protects the treated surface

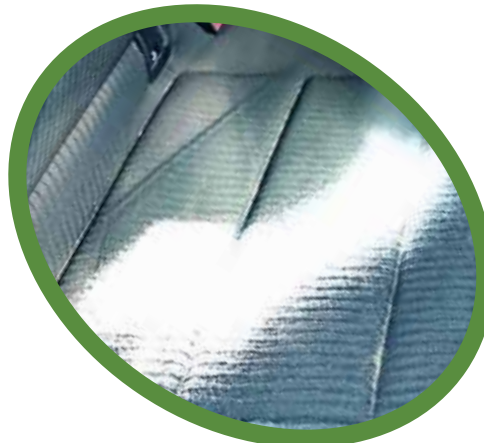

CARPET & UPHOLSTERY CLEANER

Triple Action Carpet & Upholstery Cleaner

GS27® Classics Triple Action Carpet & Upholstery Cleaner quickly eliminates stains on all fabrics in your car. It deeply cleans the textile and restores its original colour. Its specific brush cleanses even the most stubborn stains. The odour eliminator destroys persistent odours, leaving a pleasant and fresh fragrance. It is the ideal product for the care of fabrics, carpets, mats and seats.

Strengths

- Odour eliminator
- Special brush for stubborn stains

TITANIUM® SELF-SHINING SHAMPOO

Titanium® Self-Shining Shampoo

This new shampoo has a unique, innovative formula concentrated in Titanium® micro-particles, which deep cleans your vehicle, removing all the ingrained dirt on the bodywork. Result : a more intense shine and unparalleled cleanliness. Together with GS27 Classics® Titanium+® Polish, Titanium® Self-Shining Shampoo provides high-performance protection to your car.

Strengths

- Cleans and maintains
- Shine and high-performance protection

SCRATCH REMOVER KIT

Headlamp Restorer & Scratch Remover Kit

Over time, vehicles show signs of wear and tear. The bodywork becomes damaged and scratched. Plastic headlamps become yellowed and tarnished, making them less transparent. The consequence is a reduction in visibility that can lead to vehicle inspection failure.

In an answer to these problems, GS27 has created the new GS27® Headlamp Restorer & Scratch Remover Kit.

A simple, rapid solution for restoring your headlamps and erasing surface scratches from your vehicle.

All you need is a kit, a standard drill and a few minutes of your time. This comprehensive kit contains a roll of adhesive masking tape, a drill adapter, 4 sanding discs, a foam pad, a tube of headlamps and bodywork repairer cream and a microfibre cloth.

The original shine and transparency of the headlamps is very quickly and easily restored.

In barely one minute, the scratches disappear, leaving the bodywork shiny. It is 25 times quicker than doing it by hand, and the result is much more impressive!
