# WHO WE ARE ?

Arabian Gulf Agencies (AGA) is a trusted name in the field of Supermarket and Refrigeration equipment supplies not only in the U.A.E. but also in the entire Gulf region. AGA's product range includes Freezers, Chillers, Cold storage equipment, Shelving for supermarket & departmental stores and Trolleys/ Shopping carts.

AGA has undertaken many prestigious assignments across the UAE with the able support from its principals, and its 55 years of presence in the Gulf market is a testimony to its quality and dependability.

Prominent brands such as Arneg, Intrac, Afinox and Oscartille are all world-class manufacturers of supermarket equipment and related supplies/products. They have been associated with AGA for more than five decades. In a nutshell, sophisticated products combined with a professional approach and customized services has made AGA a front-runner in providing 'complete supermarket and hypermarket solutions' across the Gulf region.
